And when we come for you,  
We'll be dressed up all in blue,  
With the ocean in our arms,  
Kissing eyes and kissing palms.  
And when it's time to pray,  
We'll be dressed up all in grey,  
With metal on our tongues,  
And silver in our lungs.

Say my name,  
And every color illuminates,  
We are shining,  
And we'll never be afraid again.

Say my name!  
As every color illuminates!  
We are shining!  
And we'll never be afraid again!  
Say my name!  
As every colour illuminates!  
We are shining!  
And we'll never be afraid again!
